

2020 Information about AA Tryouts Charleswood, Corydon, and Tuxedo Baseball April 7 or 8, and April 11, 2020

Only players who want to play on the AA teams need to attend our tryouts, but any registered player wanting to participate in these tryouts is welcome. **There will be an additional fee of \$30 per player to participate in the AA tryouts, payable when you register for baseball.**

Our 3 clubs will again be combining to form one or two AA teams at each age level. The number of AA teams at each age group depends on tryout results. Our evaluation rubric uses quantifiable criteria that are based on observing specific baseball skills. *Experienced coaches who have no players at that age level will serve as evaluators for each age group.*

All A and AA teams are formed by the baseball convenors for Corydon, Tuxedo, and Charleswood Baseball. Players for the AA teams are chosen on the basis of our tryouts data.

**** Players who want to be considered for our AA teams
MUST ATTEND BOTH SESSIONS OF THESE TRYOUTS ****

You need to arrive at least 20 minutes early, to check in, change shoes, gather your gear, and be ready to go right at the start time for your session.
