

Refund Policy

Charleswood Minor Baseball Association (CMBA) acknowledges that there are situations where a refund of registration fees is appropriate. However, we need to ensure CMBA does not incur a financial loss as a result of any fees that we have already been paid on behalf of that player. We also need to respect the time invested by our volunteers in managing our registrations, and in creating teams that included that player.

In order to provide a fair balance between individual choice and the interests of CMBA, we have established the following refund policy:

- 1) If a refund is requested before tryouts, and before the start of the baseball season, we will refund the registration fee in full minus a \$20 processing charge.
- 2) If a refund is requested after tryouts but before the start of the season, we will refund 50% of the registration fees.
- 3) For players who make the AAA Winnipeg South Chiefs teams, the fees they have already paid to CMBA will be transferred by CMBA to Winnipeg South, and will be credited as partial payment of their AAA team fees.
- 4) For players who transfer to play for a different AAA team, and upon confirmation that their transfer has been officially approved by Baseball Manitoba, we will refund their registration in full minus a \$20 processing charge.
- 5) After the start of the season, partial refunds will be considered only for exceptional circumstances like a season-ending injury.
- 6) If a player is dismissed from a team for the rest of the baseball season for extremely inappropriate behaviour, no refund will be given.
